5. Early Purchase Option

If you are current, you can buy the Property at any time for the early payoff amount, after you have made a total of 5 months payments.

All of these charges are reasonably related to the services performed.

The total cost does not include other charges:

You can cancel this consent to get automatic dialing or prerecorded messaging calls by notifying us of your desire to do so.

Waiver of Rights. You are waiving your right to a jury trial, to have a court decide your Dispute, to participate in a class action lawsuit, and to certain discovery and other procedures that are available in a lawsuit. You and we agree that the arbitrator has no authority to conduct class-wide arbitration proceedings and is only authorized to resolve the individual Disputes between you and us. The validity, effect, and enforceability of this waiver of class action lawsuit and class-wide arbitration, if challenged, are to be determined solely by a court of competent jurisdiction and not by the AAA, JAMS, or an arbitrator. If such court refuses to enforce the waiver of class-wide arbitration, the Dispute will proceed in court and be decided by a judge, sitting without a jury, according to applicable court rules and procedures, and not as a class action lawsuit. The arbitrator has the ability to award all remedies available by statute, at law, or in equity to the prevailing party.

Applicable Law and Review of Arbitrator's Award. The arbitrator shall apply applicable federal and the substantive law of the state where you live and the terms of this Agreement. The arbitrator must apply the terms of this arbitration agreement, including without limitation the waiver of class-wide arbitration. The arbitrator shall make written findings and the arbitrator's award may be filed with any court having jurisdiction. The arbitration award shall be supported by substantial evidence and must be consistent with this Agreement and with applicable law, and if it is not, it may be set aside by a court. The parties shall have, in addition to the grounds referred to in the Federal Arbitration Act for vacating, modifying, or correcting an award, the right to judicial review of (a) whether the findings of fact rendered by the arbitrator are supported by substantial evidence and (b) whether the conclusions of law are erroneous under the substantive law of the state where you live and applicable federal law. Judgment confirming an award in such a proceeding may be entered only if a court determines that the award is supported by substantial evidence and is not based on legal error under the substantive law of the state where you live and applicable federal law.

Survival. This arbitration provision shall survive: (1) cancellation, payment, charge-off, or assignment of this Agreement; (2) the bankruptcy of any party; and (3) any transfer, sale, or assignment of this Agreement, or any amounts owed under this Agreement, to any other person or entity.

Right to Opt-Out. If you do not wish to agree to arbitrate all Disputes in accordance with the terms and conditions of this section, you must advise us in writing at our address, above, by either hand delivery or a letter postmarked no later than thirty (30) days following the date you enter into this Agreement. You may opt-out without affecting your application or status as a lessee at our address above.
